which the lines run are filled with "blue coats."

The employes of the Dry Dock line state they left work because they were ordered to do so by the committee, not because they had grievances. The Forty second street line men stopped for the same reason. In fact on none of the lines, with the exception of the Third avenue, have any complaints to make in regard to their hours or pay. A general "tie-up" was ordered so as to force the directors of the Third avenue line to yield to the demands of the strikers. The men ordered out on a line of the strikers. The men ordered out on a line of the strikers. Mountain Lake, two and a half miles extensive dams, built by club of manufacturers as a store to arbitrate. They say the struggle is

place for water. The flood came pouring down the streets, the water being from four to six feet deep, and bringing with it trees, portions of houses, barns, fences, wagons and every form of moveable property. The people fied to the slopes of the valley, along which the torrents were pouring and toppled about like chips on a river. The flood passed East Lee and went on down the road. It destroyed gardens, lawns and tences, moving smaller buildings. It had not the power, however, to wreck utterly larger houses, though the damage done will amount to many thousands of dollars. As soon as possible, the people went up the line of flood. Fortunstely the track of the flood was in a sparsely inhabited country, but what destruction there was for it to do in wrecking three or four houses along its way was thoroughly accomplished. Much stock besides property was lost. explorers have already found the bodies of six persons and are searching for others. The scene is one of terrible lesolation and the town of Lee is wild

Lee says: Nine bodies have been found, and it is expected that several more will be discovered. The bodies recovered and identified thus far are as folows: Mr. White, wife and two young laughters; Mr. King and wife and Mrs. ge shops were destroyed : Harrison Garfield's paper mill is undermined

Of the many life insurance companied f this city, says the New York Mail and zpress, only one is managed by womin in the interests of women. The at-orney for the company, when asked by a reporter for some particulars regard-

and presentiments. It is said that Miss Bayard wrote a letter indicating her approaching death. There are now in Washington man, old naval officers who remember the interesting circumstances attending the death of Miss Bayard's cousin, Charles C. Bayard, at Mount Vesuvius. He was the favorite son of Richard Bayard, of Philadelphia, whose father and Secretary Bayard's father were brothers. In 1843, while on board the United States ship Congress, in company with several young sure, she should have the same unr tective counsellor of the Empire Pro-tective association took part. The Third avenue company again refused to consent to submit to arbitration the points of difference. The position of the other roads was made manifest even to the mem-bers of the executive committee of the Empire association. The latter admit-ted that the other roads were not back-ing up the Third Avenue in the stand on board the United States ship Congress, in company with several young friends from on board, he made the ascent of Mount Vesuvius. It was the same Congress that went down in Hampton Roads before the Merrimac, and in the party was the same Joseph Smith, who, as commander of the Congress, had his head taken off by a cannon ball and of whom his father said, when he heard that the Congress was to every 100 females born there are 103 5-100 males; and that at every age of life the death-rate is lower among fe when he heard that the Congress was taken: "Then Joe is dead." In the party also was Lehman B. Ashmead, of Philadelphia, with whom young Bayard afterward went to Jerusalem to visit the Holy Sepulcher. While there they both had tattooed on their arms, by an old dragoman, the heraldic arms of Jerusalem, with the date of their visit. provement in living is shown to be greater in females than in males. This proves a statement made in 1861 by one of the English government actuaries, that on general principles, if there ing, it would first be manifested in fe-males. In this country we find from statistics that the same things prevail. This making a special subject of woman insurance has had the effect of inducing

In the case of young Bayard the tat-tooed cross developed virulent features, festered, and finally he became sick and festered, and finally he became sick and the arm became greatly swollen. He continued to declare that he would die, find even after it appeared to grow en-tirely well he was in the habit of say-ing to Mr. Ashmead and other friends: "This arm will be the death of me yet." Ten years afterward young Bayard left for a cruise in the Columbia as flag lightenant of Commander Morris. Behought of the subject." "Have there been any attempts made oy them to defraud?" "Yes, there have, but where we find isolated instances of women insuring by fraud there are numerous cases of men lieutenant of Commander Morris. Be-fore leaving he took a sad farewell of all his friends here, and declared to one doing the same thing. One thing oband all that "they would never see hi though women are fighting for equal again.". He was very dejected and despondent. Ten years to a day from his previous visit, in company with young Carroll Tucker, of Maryland, and a few friends, the Columbia being then at Naples, he made the ascent of Vesuvius comes they want to shield themselves beduring an eruption. With him were Rear Admiral Simpson and Rear Admiral Callionn, who were then Lieuten rat. Calloin, who were then Lieutenmote. He' had the arm of a Prassian
army onder. He was quite gay. Just
near the Hermitage, where he had halted ten years before, the party stopped,
finding it would be dangerous to go
nearer the crater. As they were turning a mass of lava and rock struck
young Bayard on the arm where he had young Bayard on the arm where he had been tattooed, cutting it fearfully and obliterating the cross, and before the party could reach the foot of the volca-ne he died. His mother is still living, upward of 90 years of age. His body buried near the foot of Vesuvius. Where Are The Cattle.

Bishop was bidden to bring his master's horse around after dinner in good himself to his host. Dinner followed, and the afternoon went by, and Mr will commence the examination of the as he kept one eye on the restless horses representatives of the Knights of Labor at the door, and the other on his guests, the tall, Indian-like officer and the widow. Sunset came, and still Wash ington lingered. Then Mr. Chambersunset. Mrs. Martha Custis was not so Bishop was bidden to take the ho back to the stable. Not till the next morning did the young colonel take his leave. Then he dispatched his busi-ness promptly at Williamsburg, and whenever he could get an hour dashed over to White House, where Mrs. Custis lived. So prompt was he about this business, also, that when he returned to Winchester he had the promise of th young widow that she would marry hin as soon as the campaign was over.— From "George Washington," by Horace E. Scudder, in St. Nicholas for April.

> First Come, First Wedded. It is related by Dr. James Kenned of Atlanta, who was in our city of Atlanta, who was in our city this week, that recently a young lady of Jackson county who had engaged herself to several suitors, fell doon a novel expedient for settling the destiny of at least one of them. They appear to have been equally favored by her, and to have heartily aided her in her schemes.

tardiest of the trio came upon the scene.
The belated lovers were really left the unusual office of being the first to congratulate a figure and a rival on their marriage and to partake of the breakfast in honor to one forever lost to themselves. As for the successful young man, he had all the fun, and it is supposed to he initiation animal disappeared through the burning building.

The latest practical joke out is the following: The victim is handed a good denly paused. Leaving the dog to its fate, he quickly returned to the ground. To the questions of the crowd he gave the laconic answer, "Terra-cotta," and the limitation animal disappeared through the burning building.

# m death and fatality in families spoken of in Hancock's case recalls one sad points in the Bayard history. Few families have been more depleted by sudden death than the Bayards, and in many instances there have been forewarnings and presentiments. It is said that Miss Carpets!

BY BONIM. TUESDAY, April 20, 1886 The capacity of Mr. S. V. Bitler's yard is indicated by a fence.—Mr. Ritchie's tamily is on its way from ing, Colorado, New Mexico, Arizona, Utah, Idaho, Nevada, Oregon, and Washington, 1,786,262 cattle, or 594,714 less than there were in Illinois, and but 351,974 more than there were in Elimois, and but 351,974 more than there were in the to be always just wound up, therefore young State of Kansas. New York, which is never spoken of as a cattle-growing State, contained in 1880, 2,300,-088 cattle—613,826 more than grazed on the whole of the arid belt, the much vaunted grazing grounds of the West. In my oning the census of 1890 will be always just wounted up the consus of 1890 we say this augures his continuance.—The lectures last week on "Man," by Prof L. A. Vaught, were masterpieces of phrenology.—All are invited to attend the Easter Sunday exercises next Sabbath at the school house at 10 a.m. In my opinion the census of 1890 will —A accident occurred at the family show that there will be more cattle in residence of Mr. G. W. Davis, just west the three corn-growing States of Illinois, Iowa, and Missouri than in the entire of town, last Sunday morning. daughter, Miss Delle, placing a p the "ladies' pincushion" (between

And there will not be as much acute suffering, nor as many miserable deaths from starvation and cold, in the three States as there will be among the cattle existing through the winter in a single county in the so-called cattle country.

In 1880 there were 3,994,102 cattle in Texas. The Texas cattle men so thoroughly understand their business, and the State is so well adapted to raising cattle, that nothing need be said of themselves their land to the said of runs that State can be relied upon to supply from 750,000 to 1,000,000 cattle appeals.

supply from 750,000 to 1,000,000 cattle annually; cows can raise calves on the Texas ranges and live, and the same is not have any than to have thieves help BEADING NEWS.

as appears from the following card, school house 40x60 feet, with four school which he prints in the Albany (Ga.) rooms and a class room, is to be let out week, that recently a young lady of Jackson county who had engaged herself to several suitors, fell upon a novel expedient for settling the destiny of stell least one of them. They appear to have been equally favored by her, and to have heartily aided her in her schemes. On a certain occasion abs notifies them that the first of the three arriving the ment day duly prepared for the certamony she would then and there marry. The good faith of the agreement was assured and conceded by each lover and he departed that night bent on an early start for the prize on the following day. Two of the young men were brothers. The third was unencumbered by any tide which probably accounts for his success. The latter set out betimes for the fair one's home, and was present before the word. On presenting his license preparations were at once proceeded with for the marriage. While the ceremony says been gaperformed the second suitor appeared, and about its conclusion the startiest of the trio came upon the seems. The belated lovers were really left the unusual office of being the first to consult of the process of the trio came upon the seems. The belated lovers were really left the unusual office of being the first to consume the following card, which he mints in the Albany (Ga.) News: "Whoever poisoned my dog is a low-down puppy, and mean enough to good standing in this stow-down quippy, and mean enough to good standing in this at one of home of the unit of him only in one way, and so found out. I am afraid of him only in one way, and show of a series of the tire and there marry. The good faith of the agreement was assured and conceded by each lover and he departed that fits a white man and of good standing in this and the man and of good standing in this and when completed will be among the best in the coult. In the man and of good standing in this and when completed will be allowed them that the first one of home and there marry. The pole fact of the trio and the provided and conceded by each lover and he departed that night

place the half dollar on the bridge of his nose and shake it into the bell of the funnel, the stem of which is inserted in the waistband of his trowners. When he (the victim) with head thrown back is balancing the half dollar on his nose preparatory to shaking it into the funnel one of his challengers slyly pours a tumbler of water into the funnel, and the result is that he (the right).

nerves are much steamer, have far fewer dull, blank, depressing Regular meeting of the W. T. C. U. will be held in the Carietian church, Thursday, April 22, at 3 o'clock.
